LATEST NEWS FROM THE PRESIDENT

The association President keeps the membership up to date through this web site and other communications, many of which are [archived here](#) on this web site. Between times, though, things can happen quickly. This page is a good place to keep up with the very latest developments, be they with the Medway River Salmon Association activities or with other events that affect our interests. Here then is the latest.

Hi Folks,

What an awesome Press Conference which was attended by about 400 people!! Thank you all for coming and showing your support!! To see that amount of people in the room was amazing. Big thanks to Ray Plourde of the Ecology Action Center who chaired this event and did such a marvellous job of it.

Many thanks to our wonderful speakers:

Wendy Watson Smith – Association for the Preservation of the Eastern Shore;

Gloria Gilbert – Coastal Community Advocates;

Stewart Lamont – Tangier Lobster Co.; and

Heather Negus – Nova Scotia Salmon Association ([Heather's presentation is attached](#)).

[Also attached is the Press Release](#). They really got the point across about the support for the Doelle-Lahey Aquaculture Regulatory Review and aquaculture in Nova Scotia. Thanks to Stewart Lamont who also provided a lunch of Lobster Rolls. But you had to be quick!! I only had one and then they were gone!! I've attached some photos so you may have an idea of the amount of people that attended.

Again, thank you for your support!! This gets the message to Government that we care about our environment, our Lobsters and our Wild Atlantic Salmon!!

Cheers,

Larry

The following was received from Dave Dagley:

Hi all:

This is the link to the DNR old Bowater Crown lands and the current harvest allocations for the 3 Districts. There are 3 maps, and the plus (+) sign that appears at the lower portion of the page when your mouse passes over it, allows the map size to be increased.
